# Volunteer Opportunities

## Get Involved...

**On your own...with friends...  
with family...with co-workers...**

**We have dozens of volunteer opportunities for you, your family, friends and co-workers.**

**Pick the one that sounds best to you – or design your own volunteer job – and get involved today! You'll make new friends, have fun and know that you're doing something important for your community and for families in Orange County.**

### **Build a Home**

Work alongside a family building their first home. We will put you to work doing anything from installing plumbing and putting on a roof, to painting a wall and planting flowers.

### **Special Events**

Help plan Habitat's home framings, dedications, and fundraising activities.

### **Office Work**

Stuff envelopes, answer phones, set up databases, write letters, and more as a Habitat office volunteer. Work as much or as little as you wish – we're flexible.

### **ReStore**

Imagine being surrounded by tools and hardware! If that sounds good to you, you'll love working as a volunteer at the Habitat ReStore – a retail store which sells donated new and used building and home improvement items.

### **Deconstruction**

Go into offices or homes and remove items such as light fixtures, plumbing fixtures and kitchen appliances. Clean the donated materials and bring them back to the ReStore for sale.

### **Spread the Word**

Help us reach out to local schools, faith groups, service organizations and corporations. Use your speaking skills to raise awareness and funds. Use your writing skills to help with public relations materials, Web site pages, and more.

### **Work with Families**

Become a family partner and experience the joy and satisfaction of mentoring one family as they work their way through the challenges and rewards of building and buying their first home.
